Sub: Manufacturing and supply of Elastomeric Bearings for NHAI and CPWD/PWD projects all over India

Dear Sir,

This letter is framed with an intention to bring to your kind notice that **“POLYMER PRODUCTS”** is a pioneer in manufacturing and supplying Elastomeric bearing for the last more than **48 years** and has supplied more than **1,80,000 bearings** for Thousands of bridges constructed by National Highway, Railways, Municipal corporations etc. all over India and performance of these bearings have been extremely satisfactory.

Polymer Products is a sister concern of **“Dynamic Prestress (I) Pvt Ltd.”** Manufacturing units of Dynamic Prestress and Polymer Products are located at Nashik, Maharashtra in the same Satpur MIDC area. Dynamic Prestress is approved for manufacturing and supplying **POT-PTFE Bearings and Sliding bearing** which are used for long span bridges and there are several clients who have been issuing repeated orders to Dynamic Prestress for the last several years for supplying POT-PTFE bearings.

Dynamic Prestress is also very popular all over India as a leading prestressing agency and have to its credit many prestigious works of **NHAI, DMRC, RVNL, RDSO, PWD, METRO** etc.

Dynamic Prestress (I) Pvt Ltd
